

DONALD TRUMP – INAUGURATION DAY 2025

After downloading the template, the first thing to do is fill in and colour the glasses, then cut them out.

Next, place the glasses on top of the face template, so that you know where to draw the nose and mouth. Obviously, there is no need to draw the eyes.

At this point, you can finish drawing the hair and colouring in the face, t-shirt and background etc.

Finish off by gluing the glasses onto the face.

Great for a display or bulletin board.
